## The school

Located on the third floor of a downtown historic palace, this school was founded in 2013 by three young friends. It offers a practical and communicative methodology within its classrooms overlooking the main square, with all the services you may need. Enjoy a spritz, prosecco or a cappuccino in one of the many cafés around the school!

## The town

Mestre is a dynamic town, full of events - especially during the summer: opera, music festivals, concerts, outdoor cinema... - and rich in pubs and restaurants which the locals love going to. However, it's much quieter than Venice, thus allowing everyone to find the perfect atmosphere.

## The hotel

Located in downtown Mestre, hotel Aurora ([www.hotelaurora.com](http://www.hotelaurora.com)) offers comfortable modern single, double and triple rooms.

The rates include continental breakfast, and a car hire with driver is available upon request.

The Italian language classes take place from Monday to Friday, from 9AM to 12PM. Every group can choose up to 5 activities a week to be carried out with our teachers during the afternoon and evening. Some are included in the price, while others require a small extra fee (quotes upon request).
